## Grand Knight Comments

--Hello all,

What an October! I want to thank everyone who helped make all our events successful. At the Anna School fundraiser we worked with our Brothers from Fr. Patrick O'Kelly council. Showing how together we can achieve a LOT. I was hoping to have a total for the night here. Currently, I am unable - Sorry. November is going to be another busy month so come out to help or participate.

I would like to ask everyone to help with our new website. As I explained at the October meeting. We are developing a new website from the ground up with the help of a developer. We will need at minimum 3 people to help with updating the site once it goes live, hopefully mid-November. Anyone with or without experience can help. So, if you or someone in your family can help, please let me know or call me and we can talk about how you can help.

As always feel free to contact me at 734-308-2386 or e-mail at [GK3774@MIKOFC.ORG](mailto:GK3774@MIKOFC.ORG)

### Chaplin's Comments

Dear Brother Knights,

Last month, I wrote an article about some practical points on Confession and this month I would like to add a few more.

**Fr. Ray Arwady**

One of the incentives for using the Sacrament of Confession often and regularly is a kind of leveling-up effect which I preach about in my homilies. Here is the explanation.

Let's say for example, I have committed a grave or mortal sin (they are the same thing) and as a result of which, I have destroyed Sanctifying Grace in my soul. In last month's article, I talked about the three conditions necessary for an act, word, or thought to be a mortal sin. Mortal sin places my soul in a state in which I am not able to present myself for Holy Communion—that is, that I am not allowed to receive the Holy Eucharist until I go to Confession, and repair the damage that has been done by the mortal sin. So, mortal sin prohibits me from receiving Holy Communion. We also call this state “failing to be in a state of grace.” Once I have gone to Confession and received absolution from the Priest, my Sanctifying Grace returns to my soul and I am now in a state of grace, and able (permitted) to receive Holy Communion. Further, after having gone to Confession, I am now placed back in complete union with God once again. That's something else that is a result from committing a mortal sin, I separate myself from God completely. Recall that if I were to die in this state, there is a strong likelihood that I would go to Hell. Thank God for the repeatable sacrament of Confession!

By the way, a simple understanding of Sanctifying Grace is divine life. We live continuously in this state until we fall into sin. Grace is divine life and we need divine life if we expect to live in Heaven. Divine Life in its totality is bestowed upon us in baptism. Ever since baptism, we live in covenant relationship with God.

Now to the point at hand, every single time I go Confession, my soul receives back all the grace that it lost, AND every single time I go to Confession, my soul's capacity to receive grace increases or grows, and my soul is filled to that new maximum level! So, I'm growing in my capacity to receive grace whenever I go to Confession, and receiving more and more grace (divine life).

There's still more good news for those of us who believe they do not commit any mortal sins but are aware of the precept of the Church that obligates us to go to Confession at least once per year under the pain of mortal sin (I talked about this in my previous article). Even if we don't have mortal sins to confess, we can still bring venial sins (lesser sins) to confession and receive absolution for them, and our souls experience this same leveling-up effect that I have been talking about.

If you have been waiting for a while for the right time to return to Confession, I would say do not wait any longer. Go online, and type in *How to go to Confession* and/or *Examination of Conscience* into your search engine and get prepared for receiving the mercy of God in Confession...and leveling-up too! As I stated in last month's article, an Examination of Conscience is a list of questions relative to the Ten Commandments and the Precepts of the Church, which we use to prepare for Confession (making lists makes the confession go faster).

## Thru My Eyes:

The Concert in the Park series continues ... thank-you to Fifty Amp Fuse for their talent and energy in making these events a cornerstone for camaraderie and charity for our Council.

The last of our final Wednesday Steak Cookouts was yet another great success ... no small thing to note that the weather played a part in holding off the freezing temps till after we had gathered (LOL)

Thank-you to all the Knights who participated and to our Parishes of St. Francis Cabrini and Our Lady of the Angels for another successful participation in the Tootsie Roll MI Drive to benefit the Mentally Impaired. This event is one of the largest nationwide Supreme sponsored Charity events for the Knights of Columbus ... thank-you to all who donated with your Tootsie Roll purchases.

Our Annual 150 Club Dinner was another sell out! This event is yet another very, very important financial benefit to our Fr. Saylor Charity Budget and I'd be remiss not to point out how valuable the virtual subscription of the annual tickets by our Knight Family's has assured this success of this beautiful dinner.

The Knights of Columbus sponsored yet another Prep Bowl to end the high school football season – a good time was had by all.

Fr. Saylor sponsored the Anna Memorial School benefit dinner for the second year. Congratulations to Claude, Dcn. Fred and the Fr. Saylor team for the very successful charitable event. Those who attended were privy to a live feed to Fr. Chinnappa and a back and forth of the history and background of the School's creation. It was amazing.

Our MSU-U of M Tailgate was another great success ... a great time was had by all:

Go Green-Go White!! Go Blue!! ... what a terrific Michigan tradition !!

## Concerts in the Park - Another Successful Year!!

The Concert Knights in the Park came to an end on Oct 7th with Fifty Amp Fuse playing on a brisk, fall evening lit up by bonfires scattered across the field as the crowd tried to stay warm. Despite the cold, we had nearly 100 people attend for another fun-filled evening. After the concert ended, members of the band stuck around the campfire along with other musicians for an acoustic session

of improv music. It is quite special that the band has just as much fun as the fans in one of their favorite venues to play at.

The Phoenix Theory played on Sep 9th and rocked the house featuring a new lead vocalist. They are a truly an awesome, talented band. Fifty Amp Fuse opened up the concert series on May 20th and I am sure that both bands will be back next year. A special thanks to Remy Lambert (Fifty Amp Fuse) and Allen David (The Phoenix Theory) for their continued commitment to making our shows a huge success. It is great to see both of these local Allen Parkers willing to give back to their community and support our Council.

We would like to thank all of the volunteers that helped us with the set-up, clean-up, ticket taking, etc. All-in-all we had nearly 500 people attend raising over \$5,600 for our Council.

The concerts will continue in 2024 with shows in May, September and October. Stay tuned for more details as the timing approaches.

And lastly, thanks to all of the wonderful and generous people who come to our shows. You are the greatest!!!! Without all of you, we could not make this possible. May God bless all of you and your families.

## 2023 Fr. Saylor Memorial Mass

**We will be celebrating Mass for our deceased Brothers who have completed their journey to life with God our Father this past 12 months. As many are aware, we started a new tradition last year and will continue to meet in unison at the All Souls Day Mass at St. Francis Cabrini Church on Thursday, November 2nd - Mass time will be 7:00 p.m.**

**A letter of invitation will be sent directly from Fr. Tim Birney to the families of our deceased Brothers. Before the mass begins, there will be an individual announcement of each of our brothers and family members will be invited to approach the Table of Candles to light in memory of their beloved.**

**Family members will be invited to bring a framed picture of our Brother Knight which will be displayed thru the month of November in the Narthex. If possible, two family members will meet in the front of the church with attending brother Knights and we will process into the church behind the priest. After Mass, all family and friends will be asked to meet for fellowship and refreshments in the gathering space in front of the church.**

**All Souls Day Mass / Memorial Mass - 7:00 p.m. St. Francis of Cabrini Church on Wick and Lawrence in Allen Park.**

Please join us on Sunday, December 31st in our Council Lounge for " A Rocking Karaoke and Dance" News Years Eve Party!

Let's ring in the new year with a night of Karaoke and Dancing as we say goodbye to 2023 and say hello to 2024.

This event will begin at 7pm and go until 1am.

Party favors will be provided on this night along with Pizzas being delivered around 11pm from Bellas Pizza.

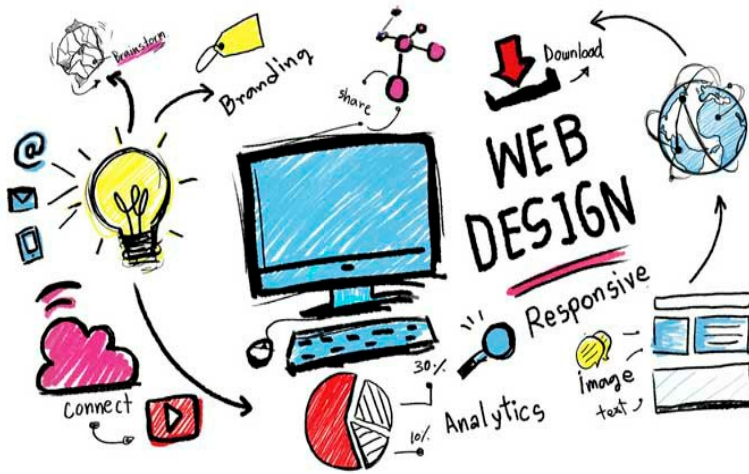

There is a possibility that College Football will have their National Playoff semi-final games going on which could include the University of Michigan for a third year in a row but we will try to navigate through this for our football fans and our karaoke guests if need be.

We will also run one big 50/50 raffle for one lucky winner to add to the fun on this night.

So make your plans now to join us for a night of Karaoke, Dancing and possibly College Football as we ring in the New Year Father Saylor Style.

Sincerely, Joe Martinez (Activity & Entertainment Director)
